

## NoteCart Unifit 24 tablets

**NoteCart Unifit is a mobile storage and charging solution for 24 tablets.**

NoteCart Unifit is a mobile cabinet for storing and charging tablets, iPads and similar devices. Henning Larsen Architects are behind the Nordic-inspired aesthetics in the design of the NoteCart Unifit series, and the design will fit into any environment. The 4 wheels on the NoteCart Unifit series have been carefully selected to complement the rest of the design, so that NoteCart rolls easily, regardless of the weight of the many tablets and the type of floor under the mobile unit.

During operation, all electronics are stored in the locked space behind the cabinet so that only the person in charge of IT has access to them. A secure cable management system ensures that the cables stay in the cabinet once they have been installed.

## NoteCart Unifit 24 tablets

### SOLUTIONS

- Designed for storing, charging and transporting up to 24 tablets, iPads or similar devices.
- The cabinet is sturdy and easy to transport on its rubber wheels, which have been thoroughly tested.
- Strong handles on the sides make it easy to push and move the cabinet.
- The cabinet has a cable system which ensures that the cables do not disappear and that they are stored clutter-free.
- The locks on the front and rear doors mean that devices are stored safely.
- The fan ensures that devices are charged without the temperature rising unnecessarily.

### DEVICES

Tablets, iPads and similar devices

See compartment dimensions on page 3.

### ACCESSORIES

NoteSecure

Item no. NC-O-SECURE

Mechanical combination lock

Item no. NC-O-CODE-MAN

Thermostat

Item no. KE-NCOO-THERMO

Timer

Item no. KE3-N COO-TIMER

### ITEM NUMBER

NoteCart Unifit 24 tablets

Item no. NCU-24T-FH-SC

1. Storage, charging and transportation on high-quality wheels with ball bearings of up to 24 tablets on 12 shelves.
2. Designated space behind the cart for storing power supplies, power panels and fan.
3. Cable system ensures that cables and chargers do not disappear.
4. Sturdy handles, on/off switch and cable holder on the side.
5. Key lock on the front and back (2x2 keys included).
